

1 By the terms of these 80 days -- Senator James tells me  
2 that this is technically possible. I hope that in bringing  
3 together the legislative and the other sections that we  
4 avoid that, but I guess if you start adding up the days  
5 if it is technically possible -- and I haven't checked  
6 out the calendars here -- but I think it is better to  
7 go by calendar in our own proceedings. I don't know how  
8 it will be with the General Assembly.

9 It was not our intent, but it may fall into that  
10 kind of situation.

11 DELEGATE GALLAGHER: Mr. Chairman, I think  
12 it is technically possible under the present arrangement  
13 that if the legislature failed to act you would have to  
14 stay around until it did.

15 If it was after July 1, there wouldn't be any-  
16 thing you could do about it, so there is no change in the  
17 technical possibilities.

18 DELEGATE JAMES: I think that is absolutely  
19 correct.

20 THE CHAIRMAN: Mr. Lewis, can the Chair inquire  
21 whether the question you were requested to look at is
